

## Synopsis

This work explores issues of forgiveness and reconciliation in countries that had experienced political conflicts, civil war, and even genocide. It attempts to move beyond mere discussion by examining case studies and the initiatives taken in dialogue and reconciliation. In many cases, religion can be a force for peace and play a significant role in resolving conflicts. This work also examines the relationship between justice and forgiveness, emphasizing that there will be no peace without justice and no justice without forgiveness. Human justice is fragile. Thus, respect for rights and responsibilities must include forgiveness in order to heal and restore relationships.
